Place of Birth : Thailand
Citizenship : Thai

“Your personal interest shall come the second.
The personal benefit of mankind shall come first.
Fortune, wealth, and honor shall come to you
if you keep the merit of your career”
“Prince Mahidol Adulyadej Of Songkla”

For supporting health trend for the future in Anti-Aging and Regenerative Medicine together with Health Promotion and Preventive Medicine to all mankind. Starting from good plantation focusing on Thai young farmers to produce high quality plants, emphasizing Thai medical herbs. The projection on Thai young farmers is to develop skills and good attitude in agriculture and sufficient economy for Thai young farmers . Also supporting horticultural industry and sufficient economy in Thailand and globalization following the guidelines of King bhumibol adulyadej.
